

LA VALENCIA

2 bedrooms, 1½ bathrooms
sleeps up to five people
932 square feet

Those precious vacationing memories begin at La Valencia. The abundance of open spaces combined with contemporary elegance means you've just entered your personal oasis. The visual delight of the dining room and living room with dramatic vaulted ceilings and large picture windows is only surpassed by the awe-inspiring view of Okanagan Lake and the surrounding mountains. A spacious entryway offers you a glimpse of what's to come with elegant laminate flooring that extends into the dining room and living room. Your well-appointed gourmet kitchen has all the comforts of home. Hand-set tile flooring in the kitchen, upstairs bathroom and main floor powder room provide another hint of the quality craftsmanship you will experience throughout your cottage. Two cozy bedrooms and generous storage areas will provide you with ample space. The stacker washer and dryer will certainly come in handy after a fun-filled day of swimming and building sandcastles at the private beach.
