

EL TERAZONA

2 bedrooms + den, 2 bathrooms
sleeps up to eight people
1076 square feet

Let your vacationing dreams become reality in El Terazona. The main floor offers one bedroom and a den, plus a convenient attached garage. The large picture windows and dramatic vaulted ceilings on the second floor will bring the natural beauty of Lake Okanagan and the surrounding landscape into this craftsman style cottage. Relax with your morning coffee at the inviting breakfast bar on the second floor before beginning another fun-filled day at the resort. Will it be building sandcastles at the private beach or a refreshing swim in the pool? Your creative flair can be unleashed in the well-appointed gourmet kitchen with hand-set tile flooring and new appliances; and then enjoyed in your spacious dining room. A full bathroom on both the main floor and upstairs means no one will be left waiting to clean up after a day full of exciting activities. Classic tiling in the bathrooms, stylish baseboards and door casings throughout and a stacker washer and dryer offer the finishing touches for this inviting retreat in the heart of the Okanagan.
